If you have any questions or need any help completing this form, please contact your adviser or us.
You can find our contact details on our website at www.interglobalpmi.com

If you have received a quotation from us, please write the quotation number here:

Please complete this form clearly in BLOCK CAPITALS.

You must tell us about all material facts before we accept an application or renew the plan. A material fact is information likely to influence us in assessing and accepting the insurance. If you do not tell us all material facts or if you misrepresent any material facts, this may render the insurance voidable from inception (the start of the contract) and enable us to repudiate liability (entitle us not to pay your claims). If there is any doubt about whether a fact is material, for your own protection, you must tell us.

If any of the details that you give on this form are different from the details that you gave when you received your quotation, your premium may be different.

H Pre-existing medical conditions

Please read benefit exclusion BE1 carefully before applying for this plan. You can find this in the plan guide and below.

You must sign this section to show that you understand and accept our 24 month moratorium. We will not process your application unless you have signed this section as well as the declaration section on this application form.

If you feel this plan does not meet your needs, you may cancel it. You must tell us in writing by letter, fax or email and return all membership cards and certificates of insurance within 30 days of the date of joining or receiving the plan documents, whichever is later.

It is important that you read, understand and accept all of the paragraphs in the following declaration for your UltraCare plan.

This declaration applies to you and to any eligible dependants you have included in the application form.

The 24 month moratorium is a waiting period of 24 months from your date of joining, or the date shown on the special terms section of your certificate of insurance, that must have passed before claims for pre-existing medical conditions may be eligible under the plan. Please read benefit exclusion BE1 in the plan guide. The moratorium also applies to optional add-on plans.

A pre-existing medical condition or related medical condition that, within a 24 month period before the date of joining, or the date shown on the special terms section of your certificate of insurance, has one or more of the following characteristics:

- was foreseeable;
- clearly showed itself;
- you had signs or symptoms of;
- you asked for advice about;
- you received treatment for;
- to the best of your knowledge, you were aware you had.

Pre-existing medical conditions or related medical conditions may be covered after you have had 24 months continuous cover under the plan and within that time you have not:

- experienced symptoms;
- asked for advice;
- needed treatment, medication, or special diet; or
- received treatment, medication, or special diet.

If you have:

- experienced symptoms;
- asked for advice;
- needed treatment, medication, or a special diet; or
- received treatment, medication or a special diet;

then you will have to wait until you have completed a continuous 24 month period when none of these apply to you. Pre-existing medical conditions or related medical conditions may then be covered. This is the rolling part of the moratorium.

I confirm that I have read, understood and accept this moratorium underwriting clause about pre-existing medical conditions and that it applies to any eligible dependants included in the application form.

J Declaration

I am applying to be covered under the UltraCare plan or plans I have chosen together with the dependants listed in this application. I have read, understood and agree to keep to the terms and conditions shown in the plan guide, along with all eligible dependants included in this application or any dependants I enrol in the future after the start date of the plan. I confirm that I have authority to give InterGlobal information about my family members referred to in this application and where necessary that I have checked with them that the information I have provided is correct. I confirm that to the best of my knowledge, the information I have provided on this form is complete and accurate and that it contains all the information required for the underwriting option I have selected.

By agreeing to the UltraCare terms and conditions, I consent to any personal data, including medical information, that you may collect about myself and my family members and dependants, being processed by InterGlobal.

I authorise the doctor named in section G or any other medical establishment, including any other health professional who has treated me and any of my dependants included under this plan, to give you any information you may need in connection with any claim made under this plan.

I understand that if I do not provide the information asked for in section G, and I or any of my dependants included under this plan make a claim, which you view as being treatment for a pre-existing medical or related medical condition, my claim may be rejected.

I understand that should I or one of my dependants attend a hospital/clinic/medical facility where direct billing or cashless arrangements are in place and my claim is subsequently found to be ineligible, InterGlobal has the right to recover the full amount of the ineligible claim from me or one of my dependants.
